HIGH SCHOOL STUDENT EVENT DIRECTOR SIGN UP FORM

Please circle the event you would like to serve as student director for and return with your membership form. You must have your membership form completed and all dues paid in full before for consideration. It is preferable that each event (except team roping), is gender specific. Girls should be directors of "girl events" and boys should be directors of "boy events."

Student Directors are required to be in the arena during the entire event(s) and to watch each contestant compete. Any questions or protests will be addressed with the student event director first. If you are competing or getting ready to compete, it is your responsibility to find another member to take your place as event director.

Be sure to sign this form. If there is no contestant name and signature, you will not be placed on the ballot. This is a great way to become more involved with Region IV!
